BASIC COMPLEX ANALYSIS
WORKSHOP CONDUCTED BY THE DEPARTMENT OF MATHEMATICS
UNIVERSITY OF MUMBAI
FOR REVISED UNDERGRADUATE SYLLABUS
February 1-6, 2016

The second workshop for the Undergraduate teachers in the series planned by the Department of Mathematics is titled “Basic Complex Analysis” and will be organized at **K. J. Somaiya College of Science and Commerce, Vidyavihar.**

The tentative dates for the workshop are **1st – 6th February 2016.** The course on Complex Analysis is introduced for the first time in the Undergraduate syllabus in the University of Mumbai and will be implemented from the Academic year 2016-2017. This workshop is for the teachers to help them review the material and support smooth implementation of the course.

The convenors of this workshop are

Dr. Jyotshana V. Prajapat (Professor and Head, Department of Mathematics University of Mumbai)

and

Prof. Subhash Krishnan (Dean, Administration and Student welfare, K.J.Somaiya College of Science and Commerce).

More details will be available soon.
